Frankie needs to use the computer to do his (1) homework, but his father is using it. His father is writing a resume.

“Hey, dad. Are you almost finished writing your (2) resume? I need to use the computer to do my homework,” says Frankie.

“No, son. I’m not (3) done,” says his dad. “I need to finish this resume (4) by tonight.”

“My grades are (5) important dad, and if I turn my homework in (6) late, I won’t get an A in my English class,” replies Frankie.

“Mrs. Warner is a very strict (7) teacher, and she takes points off for assignments that are turned in late.”

“Okay. I’ll (8) help you with your homework so you can finish it faster, and then I’ll work on my resume. How long do you think it will take us?” says Frankie’s dad.

“It’ll probably take us about an hour to finish it. I finished the first two pages, but I still have to write four more (9) pages,” says Frankie.

“Okay, let’s get started,” says Frankie’s dad. “I see that you have your (10) book.”
