

# "Harry and Meghan to quit

## GAP FILL social media"

Reporters are saying the Duke and Duchess of Sussex have  
(1) abandoned social media. The Duke (formerly Prince  
Harry) and his wife Meghan have reportedly said goodbye to their  
social media (2) accounts. They want to  
(3) focus on their new life together in the USA. The  
"Sunday Times" newspaper in the UK wrote that the couple have  
no (4) plans to use social media for their non-profit  
organisation or for their personal (5) lives. The  
newspaper said the couple have become sad and tired of all the  
" (6) hate " they see online. They both decided to  
step down as active (7) members of the British royal  
family last year. Since then, many people have attacked and  
(8) criticised them on their Instagram account.

Harry and Meghans' (9) main social media account  
was @sussexroyal on Instagram. They have 10.4 million  
(10) followers on this account but have not posted any  
new (11) content since March 2020. A source told the  
"Sunday Times" that the couple were "very  
(12) unlikely " to use social media again. Meghan has  
spoken out about the harm social media can do. She was the  
(13) subject of many attacks after she married into  
Britain's royal family. She said she experienced "almost  
unsurvivable" online (14) abuse and cyberbullying.  
She added that she was the most (15) trolled person  
in the world in 2019. This news comes as social media companies  
are in the (16) spotlight for suspending the accounts of  
US President Donald Trump.
