**Directions:** Read the passage. Then answer the questions below.

### Leo and Jasmine Plan a Trip

"I am glad that we both have some time off from work next month," Jasmine said. "We should go on a trip."

"Good idea," said Leo. "Where should we go?"

"I think we should go to New York City," Jasmine said. "It would be very fun. There are so many things to see and do there. We could see a play, visit a museum, go shopping, or see the Empire State Building. There are also lots of great places to eat. We might even meet a famous movie star!"

"That does sound fun," Leo said, "but it is very crowded. There are way too many people. It is also very expensive there. Everything costs a lot of money. I don't know if we can afford it."

"Well, where would you like to go?" Jasmine asked.

"We should go camping," Leo said. "It would be very quiet and peaceful. We could take long walks in woods and then sleep under the stars. We could cook hot dogs over an open fire. We could go swimming in the lake."

"That does sound peaceful," Jasmine said, "but I don't really like sleeping outside. There are too many bugs. I hate bug bites. Plus, there are a lot of bears in the woods. I would not want to get eaten by a bear."

"Well, what should we do?" Leo asked. "It is hard to agree on a trip."

"We could flip a coin. If it is heads, we will go to New York City. If it is tails, we will go camping."

"That sounds fair," Leo said. He found a coin and threw it high in the air. The coin flipped end over end and then landed behind the couch.

"Oh no," Jasmine said.

Leo and Jasmine both got down on the floor. They looked under the couch for the coin.

"Hey, look what I found!" Jasmine said. She pulled something out from under the couch. "It's a photo from the trip we took last year when we went to the beach." She gave the photo to Leo.

Leo looked at the photo. "That was a great trip," he said. "We had a good time at the beach."

"It was fun," Jasmine said. "It was not too crowded and it did not cost too much money."

"It was quiet and peaceful," Leo said. "There were not too many bugs and there were no bears."

Leo and Jasmine smiled at each other. "Let's go back to the beach!"
