

# My Bad Day at Work

## A. Reading

I had a bad day at work today. I was late because I missed the bus. I missed an important meeting, and my boss was mad. I also forgot to bring an important report because I brought the wrong briefcase. On my way to my boss's office, I got a coffee. Then I spilled the coffee on my shirt by mistake. In his office, I tripped on a phone cord and fell. He was very angry about the report. Later, I told my coworkers that the boss was in a bad mood. I did an impression of the boss and made fun of him. When I turned around, the boss was behind me. He heard everything. He called me into his office, and he fired me. On my way home, I went to my favourite deli for a salami sandwich. But they had no more salami! It was the worst day of my life.

# Our Day at the Park

## A. Reading

I went to the park with my mom and our dog today. We went down the slide. My mom pushed me on the swing. We also found a small pond. The dog and I splashed around in the pond. Then we played tag. My mom brought a picnic lunch. We sat on the grass and ate sandwiches. The dog chased squirrels. Afterward, my mom bought me an ice-cream cone! Then I saw my friends Alex and Jenny. We all played frisbee together. Then I felt tired, so we went home.
