

Planning Our Next Vacation

A. Reading

My husband and I have never taken a holiday together. We've wanted to take a holiday for a long time, but we have never had the same holiday schedule. Next month, we both have two weeks off work, so we're trying to plan a vacation. I wanted to go to Hawaii, but my husband has already been to Hawaii. He wants to go skiing in Vermont. He's never skied before. I don't like skiing. I've skied three times in my life, but I don't think I want to do it again. I'm afraid of heights and don't want to ride the gondola.

My husband also wants to go camping, but I've already gone camping twice this year. He grew up in the city and has never spent much time in the woods. I grew up in the country and have gone camping every year since I was 12 years old. I want to go somewhere I've never been before. We both want to go on a cruise. My husband has been on a cruise before. He went to the Caribbean. He had a good time, but we want to go somewhere unusual. Neither of us has been to Alaska, so we thought of taking a cruise in Glacier Bay. That is definitely an unusual vacation! There are so many unusual things to see. I have never seen whales before, and my husband has never seen icebergs. We have never hiked along glaciers. We have both decided that an Alaskan cruise is the best idea for our vacation.

Planning Our Next Vacation cont.

B. Questions
