You are going to read a text about the rights of a shopper. Some words are missing. Use the words in brackets to form a word that fits into each gap.

Know Your Rights !

If you are a regular shopper (*SHOP*), you ought to make sure you know your consumer (*CONSUME*) rights. For example, did you know that TV, radio and newspaper advertisement (*ADVERTISE*) have to tell the truth? If they say something about a product (*PRODUCE*) that isn't true, they can be taken to court. Also, if you order something and you are promised delivery (*DELIVER*) before a certain date, you should get some money back if it doesn't arrive in time.

The general rule is : don't be afraid to make a complaint (*COMPLAIN*). And if a shop assistant (*ASSIST*) is unhelpful (*HELPFUL*) or rude, always insist on speaking to the management (*MANAGE*). The shop certainly doesn't want to lose one of its customers (*CUSTOM*). Now that more and more people are buying things online, shops have to do more for the happiness (*HAPPY*) of the buyers.
