

Logic Game - Job interview Nr. 1

Meet five applicants who want to find a new job. From this game you can find out what job they are applying for, their age and the day of the job interview. Look at the clues, fill in the tables, and then write full sentences using the solution.

To solve this logic game put an 'X' where there is a relation and '-' where there isn't.

		POSITION					AGE					INTERVIEW DAY				
		architect	editor	engineer	secretary	teacher	28	32	34	37	42	Monday	Tuesday	Wednesday	Thursday	Friday
NAME	Martin Brown															
	Brandon Crane															
	Sandra Kyle															
	Emily Price															
	Jason Stone															
INTERVIEW DAY	Monday															
	Tuesday															
	Wednesday															
	Thursday															
	Friday															
AGE	28															
	32															
	34															
	37															
	42															

Clue 1: Martin went on a job interview in the middle of the week. He's the 2nd oldest. He isn't an editor.

Clue 2: Neither the architect, Mrs Kyle nor the man who had a job interview in a newspaper on Friday is 28 years old.

Clue 3: First was the teacher's interview.

Clue 4: Jason is older than Sandra but younger than the engineer.

Clue 5: Not the 42-year-old secretary had a job interview on Tuesday.

Clue 6: The women had their job interviews in the beginning of the week.

Now summarize your answers.

NAME	POSITION	AGE	INTERVIEW DAY
Martin Brown			
Brandon Crane			
Sandra Kyle			
Emily Price			
Jason Stone			

Now write sentences. Look at the example.

e.g.: Conrad Jefferson is a 30-year-old chef and had a job interview on Wednesday.

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____
