The image shows a screenshot of a 'New message' email form. The form has a teal header with the text 'New message' and a small envelope icon. Below the header, there are two input fields: 'To' and 'Subject'. The 'To' field is empty, and the 'Subject' field is also empty. At the bottom of the form, there is a teal bar containing a 'SEND' button on the left and several icons on the right: a paperclip, a camera, a microphone, a smiley face, a trash can, and a vertical ellipsis menu.
